Please answer the following questions by clicking your answer until a CIP determination is given.

Was wounded, injured, or ill service member medically evacuated from a combat zone?

YES

NO

**Is the service member
considered
“hospitalized” under
the CIP definition?**

YES

NO

Hospitalized - Service member is admitted as an inpatient, or is receiving extensive rehabilitation as an outpatient while living in quarters affiliated with the military health care system. An example of these quarters is the Fisher House, Mologne House, or barracks associated with the hospital (WTU Barracks).

**Is the service member
receiving TSGLI?**

YES

NO

TSGLI - Traumatic Servicemembers' Group Life Insurance is an entitlement that a Wounded Warrior may receive if they are covered by Service members' Group Life Insurance (SGLI), and they sustain an injury that results in certain severe losses, such as loss of a leg or an arm. All members of the uniformed services that have part-time or full-time SGLI are automatically covered by TSGLI while the member is in service, effective December 1, 2005.

**Is the service member still
receiving Hostile Fire Pay
(HFP)?**

YES

NO

**Service Member due \$205 of
CIP due to offset (\$430-\$225)**

Service Member due \$430 of CIP

**Service member is not eligible for
CIP**

**Was Wounded,
Injured, or ill SM
Medically
Evacuated?**

NO

**Not Eligible for
CIP**

YES

**Is service member
considered
“hospitalized”
under the CIP
definition?**

NO

**Not Eligible for
CIP**

Hospitalized - Service member is admitted as an inpatient, or is receiving extensive rehabilitation as an outpatient while living in quarters affiliated with the military health care system. An example of these quarters is the Fisher House, Mologne House, or barracks associated with the hospital (WTU Barracks).
